### Comments:

Laser Drill. White inclusions. No black. This round cut natural diamond has been fashioned with elevated levels of accuracy and craftsmanship. The diamond possesses a harmonious balance between proportions and the display of fire and sparkle. This diamond is clean when viewed by the unaided eye.

According to the August 14, 2018 diamond price guide: Price for a round brilliant diamond of this quality and size, without a laser application is: \$26,040.

This report is based on generally accepted grading techniques. Characteristics are determined using a millimeter gauge, master comparison stones, UV Lamp, 10X Loupe or binocular microscope & carat scale.
